

Autodraft Registration Form

Capital One is pleased to offer you its Autodraft program to facilitate the payment of your monthly mortgage obligation. This program enables you to remit payments on a predetermined date via a pre-authorized debit from your checking account. Should you elect to participate in the Autodraft program, please complete the information below, selecting the draft date that best satisfies your business needs as well as the terms of your mortgage payment obligation. In the event that the date selected falls on a weekend or holiday, funds will be drafted on the next business day. Please return the completed form, along with a voided check, to Capital One at the following address:

Capital One, N.A.
Attn: Autodraft Registration
2 Bethesda Metro Center, 10th Floor
Bethesda, MD 20814
Fax: (855) 588-0601
Email: servicing@capitalone.com

Until you receive confirmation from us of the first payment that will be processed via Autodraft, please continue to mail your scheduled payments to the lockbox address indicated on your billing statement. Once you are confirmed for Autodraft, instead of the standard monthly billing statement, you will receive an Autodraft notification which will provide you with the information needed to identify the monthly debit on your bank statement.

If at any time you wish to cancel or change your scheduled draft date, you can do so by notifying Capital One at the address above or servicing@capitalone.com at least 3 business days prior to your scheduled draft date. Please note that the standard \$25.00 returned item fee will be assessed for all returned or rejected Autodrafts.

The undersigned hereby authorizes Capital One Multifamily Finance, LLC, its successors and/or assigns to debit the below listed checking account for our mortgage payments until further written notice.
