#### How Do You Calculate My Variable Rates?
Your variable rates may change when the Prime Rate changes. We calculate variable rates by adding a percentage to the Prime Rate published in The Wall Street Journal on the 25th day of December, March, June and September. If the Journal is not published on that day, then see the immediately preceding edition. Variable rates on the following segment(s) will be updated quarterly and will take effect on the first day of your January, April, July and October billing periods: Non-Introductory Purchase APR: Prime plus a margin between 8.74% and 21.99%; Non-Introductory Transfer APR: Prime plus a margin between 8.74% and 21.99%; Cash Advance APR: Prime plus a margin between 18.74% and 21.99%. Any increase in the Prime rate may increase your Interest Charges and your Minimum Payment.

#### What Are The Daily Periodic Rates Used To Calculate My Interest?
The daily periodic rate for your Introductory Purchase APR is 0.00000%, Non-introductory Purchase APR is between 0.03764% and 0.07395%, Introductory Transfer APR is 0.00000%, Non-introductory Transfer APR is between 0.03764% and 0.07395%, and Cash Advance APR is between 0.06504% and 0.07395%. See “How Do You Calculate The Interest Charge?” section in the enclosed Additional Disclosures.

#### How Can I Avoid Paying Interest Charges on New Transactions?
If you pay your statement’s “New Balance” in full by the due date each month, we will not charge interest on any new transactions that post to the purchase balance. If you have been paying your account in full without interest charges, but fail to pay your next “New Balance” in full, we will charge interest on the unpaid amount. For cash advances and transfers, we will start charging interest on the transaction date. From time to time, we may give you offers that allow you to pay less than the total balance and avoid interest charges to new transactions that post to your purchase balance. If we do, we will provide details in the specific offer.

#### How is The Interest Charge Determined?
Interest charges accrue from the 1) date of the transaction, 2) date the transaction is processed or 3) first day of the billing period. Interest accrues daily on every unpaid amount until it is paid in full. Any interest that has accrued during a billing period will post to your account at the end of the billing period and will appear on your next statement. This means you may owe interest charges even if you pay the entire “New Balance” one month, but did not
do so the previous month. For example, even if a customer pays their balance in full on a February 26th due date, interest would continue to accrue on the balance from February 2nd (the start of the Billing Cycle) through February 26th, and will appear on their next statement. Once you start accruing Interest Charges, you generally must pay your New Balance in full for two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest charges are added to the proper segment of your account. However, we reserve the right to not assess interest charges.

**How Do You Calculate The Interest Charge?** We use a method called Average Daily Balance (including new transactions). Under this method, we first calculate your daily balance; for each segment, 1) take the beginning balance and add in new transactions and the periodic interest charge on the previous day’s balance, then 2) subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if you paid your previous month’s balance in full (or if your balance was zero or a credit amount), new transactions which post to your purchase or special purchase segments are not added to the daily balances. Also, transactions subject to a grace period are not added to the daily balances.

Next, to find your Average Daily Balance: 1) add the daily balances together for each segment, and 2) divide the sum by the number of days in the billing cycle.

At the end of each billing cycle, we determine your Interest Charge as follows: 1) multiply your Average Daily Balance by the daily periodic rate (APR divided by 365) for that segment, and 2) multiply the result by the number of days in the billing period. NOTE: Due to rounding or a minimum interest charge, this calculation may vary from the interest charge actually assessed.

**Can You Change My Account Terms?** We can change the terms of your account as permitted by law. When required, we will send you notice before doing so.
Welcome to Capital One
Thank you for opening a credit card account with us. This Customer Agreement including any changes to it ("Agreement") contains the terms of your agreement with Capital One.

Definitions
The meanings of the terms you see in italics appear in the Glossary section at the end of this Agreement.

As used here, “you” and “your” mean each applicant and co-applicant for the Account; any person responsible for paying the Account; and any person responsible for complying with this Agreement. “We,” “us,” “our,” and “Capital One” mean Capital One Bank (USA), National Association; and its agents, authorized representatives, successors, and assignees.

Account Documents
The following documents govern your Account with us:

(1) this Agreement;
(2) all Statements;
(3) any rewards program terms, conditions, and disclosures;
(4) any privacy notices;
(5) your Card benefits brochure which describes benefits provided by the Payment Card Network for your Account;
(6) all disclosures and materials provided to you before or when you opened your Account;
(7) any other documents and disclosures relating to your Account, including those provided online; and
(8) any future changes we make to any of the above.

Please read these carefully and keep them for future reference.

New Offers
In the future, we may provide you with new offers that we think may interest you. The terms of these offers may differ from the standard terms on your Account. This Agreement will still apply.

Account Information
We need information about you to manage your Account. This includes:

(1) your legal name;
(2) a valid U.S. mailing address and residential address (if different);
(3) your date of birth;
(4) your Social Security number or other government identification number;
(5) your telephone number(s); and
(6) your employment and income information.

You must tell us when this information changes. We may ask you for additional documents to verify any changes.

We may restrict or close your Account if we cannot verify your information, or if you do not provide it as requested.

Your Revolving Credit Line and Spending
We will tell you your initial revolving credit line when you open your Account. We may increase or decrease your revolving credit line at any time without prior notice to you, unless notice is required by law, and we may limit or take away the credit available for Cash Advances.

You can find your current revolving credit line on your Statement. We may not authorize transactions in excess of your revolving credit line. We may consider each transaction that may cause you to exceed your revolving credit line based on several factors, including your performance on this Account and other credit accounts you have with us and your performance with other creditors. If we do authorize transactions in excess of your revolving credit line, they will be subject to this Agreement. They will not result in an increase of your revolving credit line.

Using Your Account

1. This Agreement applies whether or not you use your Card or Account. It will continue to apply even after your Account is closed, as long as you have a balance.
2. You must sign the Card immediately when you receive it.
3. You must return the Card to us or destroy it if we ask you to.
4. You must take reasonable steps to prevent the unauthorized use of your Card, Access Checks and Account.
5. We may decline to authorize a transaction for any reason. This may occur even if the transaction would not cause you to go over your revolving credit line or your Account is not in default.
6. We are not responsible for any losses you incur if we do not authorize a transaction.
7. We are not responsible for any losses you incur if anyone refuses to accept your Card for any reason.
8. Unless we tell you otherwise, we will bill each transaction to the applicable Segment of your Account. We will apply it against your available credit for that Segment.
9. You may obtain Cash Advances and Transfers as permitted for your Account. You may not use these to pay any amount you owe us or any other company in the Capital One organization.
10. You must not use, or try to use, the Card for any illegal activity. You are responsible for any charges if you do.
11. We are not liable for any losses that may result when our services are unavailable due to reasons beyond our control.
Rewards
Your Account may provide you with the opportunity to earn rewards. If it does, we will separately provide you with information and terms about the rewards.

Access Checks
We may provide you with Access Checks. If we do, we will tell you at the time if we consider them purchases, Cash Advances or Special Transfers.

Only the person we designate may use Access Checks. You may not use them to pay any amount you owe us or any other company in the Capital One organization. We may reject and not pay any Access Check if:

(1) your Account is past due, charged off, bankrupt, lost/stolen or closed;
(2) we suspect fraud;
(3) your Account is over the revolving credit line; or
(4) the check has expired, is damaged or cannot otherwise be processed.

Use of an Access Check is not the same as using your Card. When you use an Access Check, you will have fewer rights to dispute merchant transactions than with uses of your Card. Please see the “Billing Rights Summary” on your Statement and your other Truth-in-Lending Disclosures for more information.

Stopping Payment of Access Checks
You may request a stop payment on any Access Check by contacting Customer Service.

We will have a reasonable amount of time after your stop payment request to research and complete the stop payment. We will not be responsible if we cannot complete the stop payment. Reasons include:

(1) the Access Check was already paid;
(2) you do not give us the information we asked for; or
(3) the information you gave us was incorrect.

We do not have to release the stop payment order unless the account holder who made the request asks us to. If we re-credit your Account after a valid stop payment order, you give us all of your rights against the payee or other holder of the paid Access Check. You also agree to help us in any legal action we may later take against the payee or other holder of the check.

Using a PIN
We may give you a personal identification number (PIN). For security reasons, you may have to provide the PIN before you are able to use your Card.

Keep your PIN secure. Do not write it down, give it to anyone, or keep it with your Card. If you lose your Card or believe the confidentiality of your PIN has been compromised for any reason, you must contact Customer Service immediately.

Authorized Users
If you ask us to issue a Card to any other person, they are an Authorized User. We may require certain information about them. We may limit their ability to use your Card. They may have access to certain information about your Account. You will be responsible for their use of the Account and anyone else they allow to use your Account, even if you did not want, or agree to, that use.

Removing an Authorized User
If you want to remove an Authorized User from your Account, you must contact Customer Service and request their removal. You also must immediately destroy all Cards in their possession and cancel any arrangements they may have set up on your Account. They will be able to use your Account until you have notified us that you are removing them from your Account. During this time, you will still be responsible for all amounts they charge to your Account. You will be responsible even if these amounts do not appear on your Account until later.

Authorized Users may remove themselves from your Account upon request. We reserve the right to remove them from your Account for any reason. To remove them from your Account, we may close your existing Account and issue a new Card with a new Account number.

Your Promise to Pay
You promise to pay us all amounts due on your Account. This includes amounts where you did not sign a purchase slip or other documents for the transaction. We will treat transactions made without presenting your actual Card (such as for mail, telephone, Internet, or mobile device purchases) the same as if you used the Card in person. If you let someone else use your Card, you are responsible for all transactions that person makes.

Statements
We will generally send or make available to you one Statement for all Cards on your Account at the end of each Billing Cycle. Under certain circumstances, the law may not require us to send or make available to you a Statement, or may prohibit us from doing so.

Disputed Transactions
You must inspect each Statement you receive. Tell us about any errors or questions you have, as described in the “Billing Rights Summary” on your Statement and other Truth-in-Lending Disclosures. If you do not notify us of an error, we will assume that all information on the Statement is correct.

If we credit your Account for all or part of a disputed transaction, you give us all of your rights against others regarding that transaction. You will also:

(1) give us any information about the disputed transaction, if we ask;
(2) not pursue any claim or reimbursement of the transaction amount from the merchant or any other person; and
(3) help us get reimbursement from others.

No Warranties
We are not responsible for any claim you may have regarding the purchase of goods or services made with your Card beyond your rights described in the “Billing Rights Summary” on your Statement.

Lost or Stolen Card
If your Card is lost or stolen or if you think someone else may be using your Card or Account number without your permission, you must contact Customer Service immediately. You will not be responsible for transactions on your Account that we find are unauthorized.

If we reimburse you for unauthorized transactions, you will help us investigate, pursue and get reimbursement from the wrongdoer. Your help includes giving us documents in a form that we request.

Interest Charges and Fees
We will charge Interest Charges and Fees to your Account as disclosed on your Statement and other Truth-in-Lending Disclosures. In general, Interest Charges begin to accrue from the day a transaction occurs. However, we will not charge you interest on any new transactions posted to the purchase Segment of your Account if you paid the total balance across all Segments of your Account in full by the due date on your Statement each month. From time to time, we may give you offers that allow you to pay less than the total balance and avoid Interest Charges on new purchase Segment transactions. If we do, we will provide details in the specific offer.

We will generally treat Fees as purchase transactions unless otherwise specified below. These Fees apply to your Account only if your Truth-in-Lending Disclosures provide for them. We may increase your Interest Charges and Fees as described in the Changes to Your Agreement section or in your Truth-in-Lending Disclosures.

Membership Fee
If your Account has a membership Fee, we may charge the first membership Fee either on the day you activate your Card or on the day when you use your Account, whichever occurs first. If your Account terms include a $0 introductory Fee, we may charge the first Fee when the introductory period ends. If it is an annual Fee, we may then charge it approximately once per year. If it is a monthly Fee, we may charge it each Billing Cycle.

Late Payment Fee
We may charge you this Fee if we do not receive your payment as instructed on your Statement by the payment due date.

Returned Payment Fee
We may charge you this Fee each time your financial institution for any reason rejects a payment you make to us.

Stop Payment Fee
We may charge you this Fee each time you ask us to (1) stop payment on an Access Check or (2) renew an existing stop payment order.

Cash Advance Fee
We may charge you this Fee each time you take out a Cash Advance. We will treat this Fee as a Cash Advance transaction.

Transfer Fee
We may charge you this Fee each time you make a Transfer. We will charge the Fee to the same Segment where we post the Transfer.

Transactions Made in Foreign Currencies
If you make a transaction in a foreign currency, the Payment Card Network will convert it into a U.S. dollar amount. The Payment Card Network will use its own currency conversion procedures. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date that appears on your Statement. We do not adjust the currency exchange rate or charge any currency conversion Fees.

Minimum Payment
You must pay us at least the minimum payment amount by the payment due date. Your Statement will tell you:

(1) the minimum payment due,
(2) your new balance,
(3) the payment due date, and
(4) an explanation of when the payment must reach us for us to consider it received as of that date.

Returns and other credits to your Account will reduce your Account balance, but they will not change your minimum payment amount.

In addition to the minimum payment, you may pay all or part of the total balance on your Account. But, you must still pay at least the minimum payment amount each month, even if you paid more than the minimum payment due on the previous Statement. We will continue to charge Interest Charges during Billing Cycles when you carry a balance regardless of whether your Statement includes a minimum payment that is due. If your Account is 180 days past due, is part of a bankruptcy proceeding or is otherwise charged off, the total balance is immediately due and payable.

Making Payments
Your payment must be made in U.S. dollars from a U.S. deposit account in a form acceptable to us. We do not accept cash payments through the mail. You may not make payments with funds from your Account or any
other credit account with us or any other company in the Capital One organization. You must send mailed payments to us as instructed on your Statement, unless we tell you otherwise.

Other Payment Services
We may make services available that allow you to make faster or recurring payments online or by telephone. We will describe the terms for using these services and any applicable Fee before you use them. You do not have to use these other payment services.

We are not responsible if your financial institution rejects a payment made using our payment services.

If you ask someone else to make a payment for you, we may provide that person with limited Account information necessary to set up and process that payment. We may also refuse to accept that payment. If we do accept it, you will be responsible for that payment even if a financial institution rejects it.

Payment Processing
We may accept and process payments without losing any of our rights. We may delay the availability of credit until we confirm that your payment has cleared. This may happen even if we credit your payment to your Account. We may resubmit and collect returned payments electronically. If necessary, we may adjust your Account to correct errors, process returned and reversed payments, and handle similar issues.

When you send us an Item as payment, you authorize us to make a one-time electronic fund transfer from your deposit account. You also authorize us to process the payment as an Item. We may withdraw the funds from your deposit account as early as the same day we receive your payment. You will not receive your Item back from your bank. We will provide additional information about this process on your Statement.

We may use the information from an Item to create an electronic image. We may collect and return the image electronically. This electronic image may also be converted to a substitute check and may be processed in the same way we would process an Item. We will not be responsible if an Item you provide has physical features that when imaged result in it not being processed as you intended.

How We Apply Your Payments
Your Account may have Segments with different Annual Percentage Rates (APR). For example, purchases may have a lower APR than Cash Advances. If your Account has Segment balances with different APRs, here is how we apply payments in a Billing Cycle:

1. We generally apply credits and payments up to your minimum payment first to the balance with the lowest APR, and then to balances with higher APRs.
2. We apply any part of your payment exceeding your minimum payment to the balance with the highest APR, and then to balances with lower APRs.

Items with Restrictive Words, Conditions, or Instructions
You must mail all Items bearing restrictive words, conditions, limitations, or special instructions to:

Capital One
PO Box 1330
Charlotte, NC 28201-1330

This includes Items marked “Paid in Full” or similar language. This also includes all accompanying communications.

If you make such a payment or send any accompanying communications to any other address, we may reject it and return it to you. We may also accept it and process it without losing any of our rights.

Credit Balances
We may reject and return any payment that creates or adds to a credit balance on your Account. Any credit balance we allow will not be available until we confirm that your payment has cleared. We may reduce the amount of any credit balance by any new charges. You may write to the address provided on your Statement or call Customer Service to request a refund of any available credit balance.

Account Default
You will be in default if:

1. you do not make any payment when it is due;
2. any payment you make is rejected, not paid or cannot be processed;
3. you file or become the subject of a bankruptcy or insolvency proceeding;
4. you are unable or unwilling to repay your obligations, including upon death or legally declared incapacity;
5. we determine that you made a false, incomplete or misleading statement to us, or you otherwise tried to defraud us;
6. you do not comply with any term of this Agreement or any other agreement with us; or
7. you permanently reside outside the United States.

If you are in default, we may take certain actions with respect to your Account. For example, depending on the default, we may take the following actions, without notifying you, unless the law says that we must give you notice:

1. charge you Fees, or change the APRs and Fees on your Account, if provided in your Truth-in-Lending Disclosures;
2. close or suspend your Account;
3. lower your revolving credit line;
4. demand that you immediately pay the total balance owing on your Account;
5. continue to charge you Interest Charges and Fees as long as your balance remains outstanding; and/or
6. file a lawsuit against you, or pursue another action that is not prohibited by law. If we file a lawsuit, you agree to pay our court costs, expenses and attorney fees, unless the law does not allow us to collect these amounts.
Communications
You agree that we may communicate with you by mail, telephone, email, fax, prerecorded message, automated voice, text message or other means allowed by law regarding your Account.

You agree that we may contact you at any telephone number (including a mobile telephone number that you provide us), and use an automated telephone dialing system or similar device to do so. You agree that we may monitor or record any conversation or other communication with you.

Credit Reports
We may report information about your Account to credit bureaus and others. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report. Information we provide may appear on your and the Authorized Users’ credit reports.

If you believe that we have reported inaccurate information about your Account to a credit bureau or other consumer reporting agency, notify us in writing at PO Box 30281, Salt Lake City, UT 84130-0281. When you write, tell us the specific information that you believe is incorrect and why you believe it is incorrect.

We may obtain and use credit, income and other information about you from credit bureaus and others as the law allows.

Closing or Suspending Your Account
You may contact Customer Service to ask us to close your Account.

We may close or suspend your Account at any time and for any reason permitted by law, even if you are not in default.

If we close or suspend your Account for any reason, you must stop using your Card. You must also cancel all billing arrangements set up on the Account. If we close or permanently suspend your Account, you must return or destroy all Cards. You must still pay us all amounts you owe on the Account.

Changes to Your Agreement
At any time, we may add, delete or change any term of this Agreement, unless the law prohibits us from doing so. We will give you notice of any changes as required by law. We may notify you of changes on your Statement or in a separate notice. Our notice will tell you when and how the changes will take effect. The notice will describe any rights you have in connection with the changes.

Your variable APRs (if applicable) can go up or down as the index for the rate goes up or down. If we increase your APRs for any other reason, or if we change your Fees or other terms of your Account, we will notify you as required by law.

The Law That Applies to Your Agreement
We make decisions to grant credit and issue you a Card from our offices in Virginia. This Agreement is governed by applicable federal law and by Virginia law. If any part of this Agreement is unenforceable, the remaining parts will remain in effect.

Waiver
We will not lose any of our rights if we delay or choose not to take any action for any reason. We may waive our right without notifying you. For example, we may waive your Interest Charges or Fees without notifying you and without losing our right to charge them in the future.

Assignment
This Agreement will be binding on, and benefit, any of your and our successors and assigns. You may not sell, assign or transfer your Account or this Agreement to someone else without our written permission.

We may sell, assign or transfer your Account and this Agreement without your permission and without prior notice to you. Any assignee or assignees will take our place under this Agreement. You must pay them and perform all of your obligations to them and not us. If you pay us after we notify you that we have transferred your Account or this Agreement, we can return the payment to you, forward the payment to the assignee, or handle it in another way that is reasonable.
